"No Frills" Summer Care

## Summer Care Policies

- Ages 4-14 only, all children need to be potty-trained
- NO SMART PHONES will be allowed on campus, except by adults and teachers. The kids do not need phones – there are public phones as well as staff phones on campus. This will ensure that kids do not stumble onto inappropriate social media or YouTube content. Parents can contact children through summer staff.
- Small group tutoring will occur daily based on student need. "Small Group" is 6 or less students per group. We will provide materials unless there is a specific curriculum you would like your student to use.
- Children need to bring their own food. There will be a designated "lunch" time, but we don't prevent hungry kids from eating. Soda may only be drunk in the fellowship hall, as it is tile. Understanding the dangers of a daily soda, we recommend water. Water and soda is available for purchase for \$0.75.
- Children will help clean the rooms at the end of the day, they will be encouraged to clean their space before moving onto another space. They will assist with vacuuming and wiping tables and chairs.

## Illness Policies

- Children will be sent home if they have a fever, vomiting, diarrhea, exhibit listlessness, or have an unknown rash.
- Please keep children 24 hours after vomiting, diarrhea, or fever.
- Parents will be called or texted in the event of bug bites, injuries, allergy issues (calls of course), or symptoms of illness.
- Except in the case of documented allergies (please send doctor's note), please don't send your child with cold or flu symptoms

## Drop off and Pick Up Policies

- Drop off can happen any time 8:45AM or later during the day. Please text staff to gain entry as outside doors will be locked.
- Pick up is any time before 4:00PM. Families have 2 "grace" days if parents are stuck in traffic or have an emergency. After the two grace days, parents should expect to pay the staff member who stays \$1 a minute for every minute past 4:05PM.
- Only people on the emergency form will be allowed to pick up your child. If someone we do not recognize arrives for pick up, parents will be called to clarify before the child is released.

## Payment

- Payment is due by the beginning of each week. You can pay by check, cash, or paypal: [funds@educationalharbor.com](mailto:funds@educationalharbor.com)
- If a child misses a day due to illness, the days will not be refunded or carried over to the next week.
- You must tell us at least one week in advance when children are attending, so we can plan for staff.
- There will be a late fee of \$10 per week for every 5 days a payment is late.
